

## Cope Middle School

April 3, 2017

Dear Potential WEB Leader:

Thank you for considering becoming a WEB Leader! WEB Leaders are next year's 8<sup>th</sup> graders who are good role models for younger students. WEB Leaders' communication skills, leadership potential, responsibility, and personality have helped them succeed in the middle school environment, and the lessons they have learned should be shared to help others succeed. You can have a tremendous influence on our new 6<sup>th</sup> graders, and you will learn many valuable leadership skills in the process. **AND** it will be a lot of fun!

What does a WEB Leader do? WEB Leaders are trained to work with the incoming 6<sup>th</sup> graders who are entering our school next August. After the extensive training on August 2<sup>nd</sup> and 3<sup>rd</sup>, the WEB Leaders will run the 6<sup>th</sup> grade WEB KICK-OFF on August 4<sup>th</sup>. At the kick-off, each WEB Leader will be given a small group of 6<sup>th</sup> graders to work with that day and each will be asked to befriend and help that group during the first week of school with any challenges they may face. Additionally, throughout the year, WEB Leaders will meet again with their student groups to touch base, discuss problems, and plan social activities. We know that the more contact a 6<sup>th</sup> grader has with his/her WEB Leader, the more successful the 6<sup>th</sup> grader will be.
